PUEBLO OF LAGUNA
GOVERNOR'S OFFICE

January 7, 1983

The Honorable Edwin Martinez
Governor, Pueblo of Laguna
P. O. Box 194
Laguna, New Mexico 87026

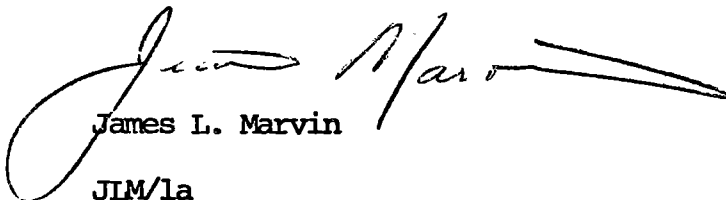

Dear Governor Martinez:

I would like to inform you of the action being taken on several requests made by the Pueblo of Laguna concerning reclamation of the Jackpile-Paguate Uranium Mine.

The concerns raised in the meeting of November 18, 1982, by Governor Harry D. Early, and his subsequent December 3, 1982 letter, are being reviewed by the staff of the New Mexico Operations group. Their report and recommendations should be completed by late January 1983 and should provide the necessary framework for further discussions by the Technical Committee to resolve issues and concerns.

I offer my sincere congratulations on your election as Governor of the Pueblo of Laguna. I look forward to continuing the spirit of cooperation achieved over the last three decades of Pueblo and Anaconda mining activities.

Best regards,

James L. Marvin
